How are you

Isn't it the hardest question, to answer to the only thing you want to say is but  
Isn it the hardest question, to answer to when the only thing you want to do is cry

How are you

oh it is so hard, to look at you and smile and just reply

I am fine , 'cause you know i'm not

you know i'm not

'cause my eyes don't lie

How are you x4

Isn it the hardest question, to answer to the only thing you want to say is no  
Isn it the hardest question, to answer to when the only thing you want to do is cry

How are you x4
