I thought it doesn't matter,
He's ugly anyway,
But today it was a sunny day.

I thought it doesn't matter,
He's ugly anyway,
But today I crossed his way.

People always look better in the sun. [x4]

I thought it doesn't matter,
He's ugly anyway,
But today it was a sunny day.

I thought it doesn't matter,
He's ugly anyway,
But today I crossed his way.

People always look better in the sun. [x4]

And I can see in the back of your eyes,
That I have to choose another time,
To say what's on my mind.
I'll have to choose another time,
To say what's on my mind.
I'll have to choose another time,
To say that...

People always look better in the sun. [x4]

I thought it doesn't matter,
He's ugly anyway,
But today it was a sunny day.

I thought it doesn't matter,
He's ugly anyway,
But today I crossed his way.

People always look better in the sun. [x4]

It's just a sunny day.

Probably not the good day,
To say what's in my heart.
