"Injoy"

I've been around a long time
in search of home and heart,
in cartoons and in airplanes,
in paper trains and stars.

And I will come to you,
and I am one, with you.

And let the gods be terrified.
I am my soul's belief,
and now there's nothing left to hide.
I am wild and I am free.

And I will come to you,
and I am one, with you.

I'm injoy as the morning spirals open
and the clouds melt away into water.

And I will come to you,
I am one, with you.
