Chorus ? Solange  
Enlightening, frightening  
Always exciting  
The timing has gotta mean this could be love  
It's crazy, amazing, embracing  
It takes me till I'm free  
Maybe this could be love

Verse 1 ? Solange  
Oh, I cannot sleep at night,  
Dream of you all day  
Love is such a crazy thing like snowflakes in the spring  
Yeah, I mean I'm feeling you

B-Sect ? Solange  
Beautiful underestimates my feelings when it comes to  
you  
The world stops turning when you're present and I  
know it's true  
Because no one can make me feel like you do  
So special to me, unique baby

Chorus ? Solange

Verse 2 ? Eric Lee  
Ooh, baby you look so fine  
You really blow my mind  
Your essence and grace  
Your style and your taste  
I feel hypnotized, yeah  
I mean I'm feeling you

B-Sect

Chorus ? Solange + Eric Lee

Bridge ? Solange + Eric Lee  
This love, this joy  
It takes me away to a place where it lies a reflection  
Never ever  
My heart, my dreams are always with you

And this feeling is new  
All this could be love

Verse 3 ? Solange + Eric Lee  
Oh, I feel it in my heart  
I feel it in my soul  
You are like a seed to me  
Someday our love will grow  
Yeah, I mean I'm feeling you

B-Sect

Chorus ? Solange + Eric Lee

This could be love, this could be love...
