Solange - Solo Star

Wo wo wo wo wo wo wo wo

Wo wo wo wo wo wo wo wo

Verse 1

Amazing is all I can say

And when I look at you

You take my breath away

You've just got this feeling inside

Emotions run through this heart of mine

Like an angel you are

You shining every way like a star

Don't have to convince myself

You were made for me

There's no-one else

Chorus

Every thing from your head to your hands (I love it)

Nobodies perfect but for me

I like you so much im blinded

Every thing from your head to your hands (I love it)

Nobodies perfect but for me

I like you so much im blinded

Verse2

Truly beautiful you are

Inside and outside, upclose and far

So special in every way

You stay on my mind like everyday

You've given me butterflies

Each time I see you my heart just cries

Nothing can convince myself

You were made for me

There's no-one else

Chorus

Every thing from your head to your hands (I love it)

Nobodies perfect but for me

I like you so much im blinded

Every thing from your head to your hands (I love it)

Nobodies perfect but for me
I like you so much im blinded

La da da da, la da da da

Wo wo wo wo wo wo wo wo
Wo wo wo wo wo wo wo wo
Wo wo wo wo wo wo wo wo
Wo wo wo wo wo wo wo wo

Chorus

Every thing from your head to your hands (I love it)
Nobodies perfect but for me
I like you so much im blinded
Every thing from your head to your hands (I love it)
Nobodies perfect but for me
I like you so much im blinded
Every thing from your head to your hands (I love it)
Nobodies perfect but for me
I like you so much im blinded
Every thing from your head to your hands (I love it)
Nobodies perfect but for me
I like you so much im blinded

Everything, Everything,
Everything, Everything,

I'm blinded

Cmon

What what

Chorus

Every thing from your head to your hands (I love it)
Nobodies perfect but for me
I like you so much im blinded
Every thing from your head to your hands (I love it)
Nobodies perfect but for me
I like you so much im blinded
