Solange: Doo doo too too too too

Verse 1 - Solange

I've been watching from across the room,  
Thinking how I want to dance with you.  
See you moving on the dance floor,  
Makes me wanna dance with you even more.  
I like your style, you're so confident,  
All the haters call you "arrogant".  
I don't care if what they say is true,  
'Cause all I want to do is dance with you.

Chorus - Solange (Solange)

I see you checking me  
And I'm looking at you so  
No matter who approaches first (no matter)  
Just make a move 'cause (make a move)  
On the floor you got it,  
I got it to  
I wanna dance, with you  
Dance, with you.

Verse 2 - Omarion [B2K]

Girl it's funny you are Feelin' me  
'Cause in my mind I'm thinking the same thing.  
How I want to move and dance with you  
To intimidated to approach you.  
I like your vibe, so baby girl what's up  
All the chickens heads claim that you're stuck up.  
I don't care if what they say is true,  
'Cause all I want to do is dance with you.

Chorus - Solange (Omarion)

I see you checking me (checking)  
And I'm looking at you so (at you)  
No matter who approaches first  
Just make a move 'cause  
On the floor you got it, (you got it)  
I got it to  
I want to dance (dance), with you

Dance, with you. (with you)

J-Boog: Uh, yeah.

Da da da da da da da

What, Solange, yeah.

Solange: You're trying, you're trying.

J-Boog: Dance with me, C'mon

Rap - Lil Fizz [B2K]

It's the same little cats who came to rock your world

It's amazing what I do to this little girl.

Got them leaving their boyfriends the talk around  
school

You ain't never met a 15 year old guy this cool.

Come on ma roll with me I'll make your life better

Not pressuring you I know you wanna claim this

Poked in the party ma singing off key.

Oh, off key

Solange: Make a move!

Chorus - Solange (with ad-libs from Solange, Omarion  
and J-Boog)

I see you checking me

And I'm looking at you so

No matter who approaches first

Just make a move 'cause

On the floor you got it,

I got it to

I want to dance, with you

Dance, with you.

I see you checking me

And I'm looking at you so

No matter who approaches first

Just make a move 'cause

On the floor you got it,

I got it to

I want to dance, with you

Dance, with you.
