"Naive"

(with Beyoncé
feat. Da Brat)

[Solange]

I know you think I'm young and naive
But you gotta trust in me
To be strong and responsible
'Cause I think I'm in love

I know you think I'm young and naive
But you gotta trust in me
To be strong and responsible
'Cause I think I'm in love

[Solange]

Don't try to tell me this ain't real (I know I'm young)
It's in the way he makes me feel (I know I'm young)
I think my baby is the one (I know I'm young)
It's in the way he holds it down (I know I'm young)

[Beyoncé]

I know you think that this is real (You're too young)
I know exactly how you feel (You're too young)
Too young to know if he's the one (You're too young)
Girl, you got time so slow it down

[Solange]

I know you think I'm young and naive
But you gotta trust in me
To be strong and responsible
'Cause I think I'm in love

I know you think I'm young and naive
But you gotta trust in me
To be strong and responsible
'Cause I think I'm in love

[Solange]

It's too complicated to explain my relationship
My friends are hatin' 'cause they ain't feelin' what I'm
feelin'

Leave me alone and just let me be
Find your own thing and get off of me

[Beyonce]

It's not complicated, girl, I've been where you are
before
I'm not underratin', I'm just tryin' to protect your
feelings
Solange, listen to me, understand what I'm saying
Maybe you'll realize one day how much I care

[Solange]

I know you think I'm young and naive
But you gotta trust in me
To be strong and responsible
'Cause I think I'm in love

I know you think I'm young and naive
But you gotta trust in me
To be strong and responsible
'Cause I think I'm in love

[Da Brat]

Solange, you might love the boy
Even sneak around the corner, kiss and hug the boy
But Beyonce been there before
And she don't want nobosy to hurt you
'Cause Matthew would drill the boy
And I can't ignore that you young
We just don't want you to get sprung
On some young dumb-dumb with no crumbs
Get all up in your heart and then run
Getting your heart broke is no fun
But neither is somebody tellin' you that he not the one
You gotta learn for yourself though
And if you don't experience things, you'll never know
I don't want you wishin' you coulda, woulda, shoulda
but you didn't
Listenin' to other people's advice, it's your life
Make your own decisions, honey, really

[Solange]

It's too complicated to explain my relationship
My friends are hatin' 'cause they ain't feelin' what I'm
feelin'
Leave me alone and just let me be
Find your own thing and get off of me

[Beyonce]

It's not complicated, girl, I've been where you are
before

I'm not underratin', I'm just tryin' to protect your
feelings
Solange, listen to me, understand what I'm saying
Maybe you'll realize one day how much I care

[Solange]

I know you think I'm young and naive
But you gotta trust in me
To be strong and responsible
'Cause I think I'm in love

I know you think I'm young and naive
But you gotta trust in me
To be strong and responsible
'Cause I think I'm in love

I know you think I'm young and naive
But you gotta trust in me
To be strong and responsible
'Cause I think I'm in love

I know you think I'm young and naive
But you gotta trust in me
To be strong and responsible
'Cause I think I'm in love
