Chorus

I know you think I'm young
And naive
But you gotta trust in me
To be strong and responsible
Cause I think I'm in love
I know you think I'm young
And naive
But you gotta trust in me
To be strong
And responsible
Cause I think I'm in love

1st Verse

Solange: Don't try to tell me this ain't real (I know i'm young)

It's in the way he holds it down (I know i'm yooung)

You'll realize one day
How much I care

Verse 2(rap)
Da Brat: Solange you might love the boy
Even sneak around the corner kiss and hug the boy
But BeyoncÃ" been there
Before and she wouldn't want anybody to hurt you
Cause Matthew would drill the boy
And I can't ignore that you young
We just don't want you to get sprung
On some young dumb dumb with no crumbs
Get all up in your heart and then run
Gettin yo heart broke is no fun
Neither is somebody tellin you he not the one
You gotta learn for yourself though
And if you don't experience things
Then you'll never know
I don't want you wishin
You coulda shoulda woulda
Did it but you didn't
Listenin to other people's advice
It's yo life
Make yo own decisions really
