*[Rap - Solange]*

It's that girl Solo Star  
And Murphy Lee we are  
The Scooby Doo, uh-oh  
We're platinum mo' you know.  
Oh  
Oh oh  
Scoo-by-doo.

*[Chorus - Solange (Murphy Lee)]*

Thinking About you  
Where are you?  
'Cause I need to hear from you now (oh oh)  
This is a mystery  
Can't help but think,  
What is happening to you now? ooh ooh (oh oh)  
Thinking About you  
Where are you?  
'Cause I need to hear from you now (oh oh)  
This is a mystery,  
Constantly  
Thinking if you love me  
Scooby dooby dooby doo wop doo woo

*[Verse 1 - Solange]*

Where did my baby go?  
Boy take that mask off,  
You used to be all up on me,  
Now you just trash talk.  
Split personality, pulling 360's  
Don't even call me,  
It's such a mystery,  
My scooby dooby doo.

*[Chorus - Solange (Murphy Lee)]*

Thinking About you  
Where are you?  
'Cause I need to hear from you now (oh oh)  
This is a mystery  
Can't help but think,

What is happening to you now? ooh ooh (oh oh)  
Thinking About you  
Where are you?  
'Cause I need to hear from you now (oh oh)  
This is a mystery,  
Constantly  
Thinking if you love me  
Scooby dooby dooby doo wop doo woo

*[Pre-Verse - Murphy Lee (Solange)]*

Doo wop doo wop  
Whoa wop whoa wop (whoa wop)  
Ya ya, ya ya, ya ya.

*[Verse 2 - Solange]*

Bring back my baby so,  
We can be like old days.  
I can not take much more of,  
You and your silly ways.  
I'm tryna reach you,  
But I'm not Miss Cleo  
Boy I thought I knew you.  
You got me so confused  
Scooby dooby dooby doo.

*[Rap - Murphy Lee (Solange)]*

You know my seven digits, (what)  
You know my address "Solo" come and visit,  
I'm just keeping it realistic. (scobby doo)  
I'm young so I'm gon' kick it (uh uh)  
From Atlantic to tha Pacific

Forget it, I admit it,  
I only leave it to miss it.  
Now listen, meet me in Oklahoma,  
We take a private jet to West Bahamas (oh yeah yeah)  
Mami where ever you wanna.  
Just don't trip we can dip  
Just let me make a legit permission slip  
For permission to slip.

*[Chorus - Solange (Murphy Lee) With Ad libs]*

Thinking About you  
Where are you?  
'Cause I need to hear from you now (oh oh)  
This is a mystery  
Can't help but think,  
What is happening to you now? ooh ooh (oh oh)  
Thinking About you  
Where are you?  
'Cause I need to hear from you now (oh oh)

This is a mystery,  
Constantly  
Thinking if you love me  
Scooby dooby dooby doo wop doo woo

*[Pre-Verse - Murphy Lee (Solange)]*

Doo wop doo wop  
Whoa wop whoa wop (whoa wop)  
Ya ya, ya ya, ya ya. (no no)

*[Rap 2 - Murphy Lee (Solange)]*

Come on "Solo",  
You know I ain't your average young dude.  
You know I can't go wherever,  
Whenever I want to. (ooh)  
So if I could stop illusion,  
Mystery and confusion, (ooh)  
Frequent flyer miles from St. Louis to Houston,  
I would do it,  
See most girls be kinda mad,  
Like Usher I got it bad  
So introduce me to dad,  
So we can read the songs,  
Make clothes with your moms,  
Thumbs up like Afunz,  
Murphy Lee and Solange come on. (Whoa!)

*[Chorus - Solange (Murphy Lee) With Ad libs]*

Thinking About you  
Where are you?  
'Cause I need to hear from you now (oh oh)  
This is a mystery  
Can't help but think,  
What is happening to you now? ooh ooh (oh oh)  
Thinking About you  
Where are you?  
'Cause I need to hear from you now (oh oh)  
This is a mystery,  
Constantly  
Thinking if you love me  
Scooby dooby dooby doo wop doo wop

Uh, oh,  
Oh, uh, oh, oh  
Uh, oh,
