### "This Bird"

Once in a time  
Where the girls feel like girls  
And the world is painted  
Cotton candy  
Where the sweet lemonade  
Of mcgregor street  
Was the best the damn thing of the summer breeze  
Your dad drives a foreign car  
And your mama looks like a beauty queen  
Now the sour bitter days  
Of a colorless place  
Seems to light up my nights somehow  
And the music i play must be loud, loud, loud, loud,  
loud as can be  
So i dont have to hear myself think  
So i dont have to wake up from this dream  
I dont wanna sing no single mama blues  
Im not singin look at me i've been abused  
O im honestly lost girl starin at you  
So maybe ill put on my high heel shoes  
And soar the night away  
And soar the night away  
But whatever i do

Im not gonna slow this bird down  
I don't wanna look life in the eye  
I'm not gonna fall face first in the spiral called a life  
Im not in denial  
Im not suicidal  
Not an alcoholic  
Im not out here whoring  
So just shut the f\*\*k up  
This birds not slowing down  
Once in a while  
When the sun does its job  
Lets the clouds take a nice day off  
I can breeze through the day

And just run through night  
Here injisted of those big blue eyes

Is this is life might run  
On the evening of fourth july  
So i got reason to fly

Im not gonna slow this bird down  
I don't wanna look life in the eye  
I don't wanna fall face first in the spiral called a life  
Im not in denial  
Im not suicidal  
Not an alcoholic  
Im not out here whoring  
So just shut the f\*\*k up  
This birds not slowing down

Slowing downnnnn  
Slowing downnnnn  
Slowing downnnnn

Its not over yet  
The song isnt over yet  
Aint no birds  
Gonna slow me down  
Imma keep on rollin  
And aint no birds gonna slow me down  
Keep on rollin  
And aint no birds  
Gonna slow me down  
Imma keep on rollin  
And aint no birds gonna slow me down
