If I fall for someone new
Would it mean so much to you
Well I wish I could I wish I would
Give to you what you gave to me in your

Life without love
Life without love oh
Life without love
Life without love oh

You don't have a claim on me
From now I'll be just who I want to be

If I fall and find my pleasure
Will you cry as you watch my treasure
Unwrap for him I let him in
Will you cry as you walk alone in your

Life without love
Life without love oh
Life without love
Life without love oh

You don't have a claim on me
From now I'll be just who I want to be
I don't owe a thing to you
From now I'll do just what I want to do

If I fall for someone new
Would it mean so much to you
Well I wish I could I wish I would
Give to you what you gave me in your

Life without love
Life without love oh
Life without love
Life without love oh

You don't have a claim on me
From now I'll be just who I want to be
I don't owe a thing to you

From now I'll do just what I want to do
