My feet walk away
And my mind cannot stay
For there are things
Here left to do

So I will go there
With hundreds more to save
And we will wander
Until we find our brave

So take your time, to step back in line
And that's where I wander to
These towers aren't mine
We had our time

This world has a place for me

I can't see it
But I'll see to it
So guide a saving grace
So we can save the day

So take your time, to step back in line
And that's where I wander to
These towers aren't mine
We had our time

And that's where, I wander to
These towers aren't mine, we had our time

We are the brave

From this town of nowhere
So far from home
These towers crumble
I'm oh so alone
From this town of nowhere
We came and we rose to the top
We'll never crumble
We'll never stop

We are the brave
