Do you want me to  
Get down on my knees  
Beg you baby, please  
Cry a million tears  
Do you want me to  
Call you on the phone  
Beg you to come home  
Think of all the years  
When I once lived in paradise  
When the love light shone in your eyes  
Chorus:  
Oh baby  
What can I do when I still love you  
What can I say when I still want you  
What can I do  
What can I say  
You'll never know this way  
Do you want me to  
Follow you around  
Everywhere in town  
Do you want a clown  
Why do you  
Treat me mean and cruel  
Breaking every rule  
Can I be your fool  
We can make this a happy home  
So come back where you belong  
Chorus  
Please forgive me, come back, and then  
We can fall in love  
Over and over and over and over again  
Oh baby  
What can I do when I still love you  
What can I say when I still want you  
Won't you come back  
Oh baby, what can I say  
I said, what can I do  
Oh baby, what can I say  
I said, won't you come back  
I said, won't you come back  
I said, what can I do

I said, what can I say  
I said, won't you come back  
I said, won't you come back  
Won't you come back  
Oh baby, won't you come back  
Oh baby, what can I say  
I said, what, what, what? can I say  
Won't you come back  
Won't you come back  
Won't you  
Won't you come back  
What can I say  
What can I say  
What can I do  
What can I do  
What can I say  
What can I say  
Won't you come back  
Won't you come back  
What can I do, do, do, do  
What can I do  
(What, what, what?)
