We've got to get together
And we've got to save the snails
Let's board the purple spaceships
Before they set sail
I want a Yes reunion
And you know I want one now
No more Anderson, Walkman, Buttholes and How!
Listening to the opera
And smoking angels' dust
You can't get more fucking
Progressive than us...

GO SUNS GO SUNS GO SUNS GO SUNS GO SUNS GO
SUNS GO SUNS GO SUNS GO SUNS
