I feel ugly and dirty and tired
I can't get to sleep my head is wired
Can't get my mind off a stupid girl
Came into my life and wrecked my world
Got myself drunk got into a fight
Got my head knocked up and I don't feel right
This whole stupid world is bothering me
All I really want now is somebody to...

Dance with me
Dance with me
Dancing free
When you dance with me

I got some records and I got a stereo
Lots of Sex Pistols and Curtis Blow
When I'm dancing I really feel great
Cause I don't think about all the things I hate
I love dancing more than getting drunk
Dancing to rock n' roll, dancing to punk
If there is anything that is bothering you
Any time, any day, you are welcome to...
Dance with me
Dance with me
Dancing free
When you dance with me

So you lost your job, someone stole your car
Your girlfriend left to become a star
Tried to kill the cat in the washing machine
So what, who cares? What does it all mean?

Dance with me
Dance with me
Dancing free
When you dance with me
