it's a friday night cookin' show
with a horse-meat dish
i had to stay in the freezer
all thursday eve
talkin' to that horse

i really had to go
downt to the sidewalk
the sky's all red
the street's filled with people
from a high school band

i escaped from a theatre
to see a girl
with long blonde hair
right down to there
i escaped from a theatre to see a girl
with long blonde hair

we had to leave

we got into a tan van
us two in the back

with Steve McGarrett
from Hawaii-five-o
at the steering wheel
speeding away we slid into a
parking lot
and all in slow motion
these tough guys appear

we argue and fight
and one pulls a knife
he hits me in the back
but im alright
im alright
im alright
im alright

he's alright

i escaped from a theatre
to see a girl
with long blonde hair
right down to there
i escaped from a theatre
to see a girl.....
