Good evening, ladies and gentlemen
And welcome to P.J.'s Astrological Love Lounge
We are Lester Shy and the Shyphonics
My name is Lester Shy and these fine gentlemen all
around me
Well, they're the Shyphonics

And we hail proudly from Fargo, North Dakota
Now, way down south in Fargo
Whenever we needs a little somethin' extra
We like to do a little thing we call the brown nose

And we'd like all you fine ladies and gentlemen here
tonight
To help us out in doin' the brown nose
So remember, when I shout, "What you gonna do?"
You're gonna shouts back, "Gonna brown nose, gonna
brown nose"
Think you can handle that?
I'm pretty sure you can, let's give it a try

What you gonna do?
(Gonna brown nose, gonna brown nose)
Oh, ladies and gentlemen, you should all be round up
and shot
That was terrible

What you gonna do?
(Gonna brown nose, gonna brown nose)
Yes, yes, that's so much better
You have my permission to go out and reproduce

You're lovely human beings
So now we're gonna do a little brown nosin' for ya
Are you excited? Are you ready?
Okay then, here we go

When you want that job, I say, now, what you gonna
do?
(Gonna brown nose, gonna brown nose)
There's rich uncle Bob, I say, now, what you gonna do?
(Gonna brown nose, gonna brown nose)

You get stopped by the man, I say, now, what you
gonna do?
(Gonna brown nose, gonna brown nose)
Record company wants to sign your band
I say, now, what you gonna do?
(Gonna brown nose, gonna brown nose)

Mercy
I've jumped that [Incomprehensible] myself three
hundred times

Alright
Now, I know many of you fine ladies and gentlemen
Have begun to ask yourself
Ooh but Lester Shy and the Shyphonics
How do we do this wild new thing you call the brown
nose?

Well, take a second
Prepare yourself mentally and physically
We'll show you how to brown nose

Bend your knees
(Bend yo', ooh, lalala)
Now move your head like this
(Ooh, lalala)

Pucker dem lips
(Ooh, lalala)
Give dat butt a kiss
(Ooh)
Kiss my

Askin' for some green, I say, now, what you gonna do?
(Gonna brown nose, gonna brown nose)
Boss is really mean, I say, now, what you gonna do?
(Gonna brown nose, gonna brown nose)

You wanna impress your a' girlfriend's father
I say, now, what you gonna do?
(Gonna brown nose, gonna brown nose)
You owe some money a' to your brother
I say, ?now, what you gonna do??
(Gonna brown nose, gonna brown nose)

You, yes you, here's a dime, run out and call the PMRC
(Okay)
Gonna brown nose
I wanna see every last one of you brown nosin'

Even you tuna lips
Alright, if you can dig it, I wanna hear you shout
Erlenmeyer Flask
(Erlenmeyer Flask)

Alright, I know you loved it the first time
You gonna love it even more the second time
As once more, we prepare to get down
And do some serious big time brown nosin'

Bend your knees
(Bend yo', ooh, lalala)
Now move your head like this
(Ooh, lalala)

Pucker dem lips
(Ooh, lalala)
Give dat butt a kiss
(Ooh)
Kiss my
(Ya)
