"Instant Club Hit (You'll Dance to Anything)"

By the Dead Milkmen from Bucky Felinni

She'll dance to anything

You'll dance to anything

Okay, look at you

Don't you look like Siouxsie Sioux

How long did it take to get that way

What a terrible waste of energy

You wear black clothes say you're poetic

The sad truth is you're just pathetic

Get into the groove get out of my way

I came here to drink not to get laid

So why don't you just go on home

If you want to moan you'll have to moan alone

You'll dance to anything...

You'll dance to anything...

Don't try to tell me that you're an intellectual

Cause you're just another born bisexual

("I met Andy Warhol at a really chic party")

Blow it out your hair cause you work at Hardees

80 pounds of make up on your art school skin

80 points of I.Q. located within

Know what you are? You're a bunch of ...

Artfags! Artfags!

Choke on this you dance-a-teria types!

You'll dance to anything by the Communards

You'll dance to anything by Book of Love

You'll dance to anything by The Smiths

You'll dance to anything by De-peche Mode

You'll dance to anything by Public Image Limited

You'll dance to anything by Naked Truth

You'll dance to anything by any bunch of stupid

Europeans who come over

here with their big hairdos bent on taking OUR money

instead of giving

your cash, where it belongs, to a decent American

artist like myself!

You'll dance to anything
