Baby, when you walk that sweet walk
Oh, you walk it good, yes you walk it good
Baby, when you talk that sweet talk
Oh, it sounds so good, oh so good

With a little bit of concentration
And a little bit of helpin' hands, yeah
And a little bit of where your mouth is, hey
You know it makes me feel, baby
Both my feet are back on the ground

And when the rhythm takes it
It feels so good, oh so good
Baby if it keeps a-shaking
It will do you good, it's so much good

With a little bit of stop-a-shakin', shakin'
And a little bit of slow right down
Oooh, just a little bit of sweet con carne, yeah
It makes me feel, makes me feel
I got my feet on the ground

(Guitar Solo)

Ooh, now baby, when you move it makes me, yeah
A-really feel so good, oh so good
And I'm so glad, so glad, so glad, so glad
And I'm good, oh, so good

With a little bit of, ooh-ahh, concentration
Just a little bit of a-helping hand, yeah
And a little bit of operating like this
It makes me feel, ohh, it makes me feel
Like I'm back on the ground oh yes, sure does
It makes me feel, hey yeah, back on the ground

Saurez, Saurez
Baby, baby, you've been good on the ground
I'm feelin' good child
I'm feelin' good child, hey
I'm feelin' good child
I'm feelin' good child, hey

Down on the ground

I'm feeling good child (Sha la la, sha la la la la) (16x)
