

Dead Milkmen "Spit Sink"

Visit "[Spit Sink](#)" on MotoLyrics.com

Oh, come on, baby
Take a drink
Never mind
That it's a spit sink

A spit sink, a spit sink
It's nothing but a spit sink jam

Took a drink
Thought I was gonna die
Somebody told me
The water was formaldehyde

Ah, take off your clothes
Don't be lonely
The sign above says
'For Negroes Only'

A spit sink, a spit sink
It's nothing but a spit sink jam

Went to the doctor
Thought I was gonna flip
He said "Boy
This is a heavy acid trip"

The world is nothing
But an open sewer
The trash and slime
Just runs right through her

Take off your clothes
Let's jump in
We can go
For a little swim

A spit sink, a spit sink
It's nothing but a spit sink jam

Took a drink
Thought I was gonna die
Somebody told me

This water is formaldehyde

Come on, baby

Take a drink

It's acid, baby

It'll make you really think
