And there I stood
Facing a
Remote control
Camera
Well well

Did he come back
Did he come?
Did he come back
Did he come?

This argument is right out
Of his greatest hits
Just because
Well well

Did he come back
Did he come?
Did he come back
Did he come?

That stuff gives him a bang
There's nothing like that man
Just a ? ? ?

And there I stood
Facing a
Remote control
Camera
Well well

Did he come back
Did he come?
Did he come back
Did he come?

And we both caught a cold
That's what I've been told
And we both caught a cold
That's what I've been told
He had me glued to my
Seat with this crap
