When I saw you standing there in the darkness
I remembered a tale
It was about a queen who asked the mirror
Mirror, mirror on the wall
Tell me what I'm looking for
Look into my eyes and see
Tell me who it's gonna be
Mirror, mirror on the wall
Tell me what I'm looking for
I gotta' to know, I needa' know, I gotta' know
Check me ragga man talk to the ragga man rock
As the clock goes tic-ticky-tic-toc
Me no worry, me no worry
If it's alright me no time to hurry
Tell the queen that me is in the castle
Look into the mirror but there's no hustle
Hear me tale in a ragga man way
So listen to what me wanna' say
Mirror, mirror on the wall
Tell me what I'm looking for
Look into my eyes and see
Tell me who it's gonna be
Mirror, mirror on the wall
Tell me what I'm looking for
I gotta' to know, I needa' know, I gotta' know
Me wanta', me wanta' know, me gotta' know
Me wanta', me wanta' know, me gotta' know
Me wanta', me wanta' know, me gotta' know
Me wanta', me wanta' know, me gotta' know
I'll be looking every dag and night
Straight up to the top we fight
Woun't we make it no more
I've been travelling the seven seas before
Mirror, mirror on the wall
Tell me what I'm looking for
Look into my eyes and see
Tell me who it's gonna be
Mirror, mirror on the wall
Tell me what I'm looking for
I gotta' to know, I needa' know, I gotta' know
Me wanta', me wanta' know, me gotta' know

Me wanta', me wanta' know, me gotta' know
Me wanta', me wanta' know, me gotta' know
Me wanta', me wanta' know, me gottac12
