"Bom!

Your love is like a bom, Your love is like a bom,
Your love is like a bom, Your love is like a bom,
Your love is like a bom, Your love is like a bom,
Your love is like a bom, bom, bom, bom.

Your love is like a prison wall, and it's getting higher
Bom, your love is like a prison wall, and it's getting
higher

Bom, your love is like a prison wall, and it's getting
higher

I did so far and they don't know, can't get through the
wire

Bom, your love is like a prison wall, and it's getting
higher

I did so far and they don't know, I can't get through the
wire

Bom, your love is like a prison wall, and it's getting
higher

I did so far and they don't know, I can't get through the
wire

Get up on your feet, on your feet, on your feet, on your
feet,

On your feet, on your feet, on your feet.

DANCE TO MIDNIGHT!

Deep in so that, deep in so that, deep in so that!

Deep in so that, deep in so that, deep in so that! YEAH!

Deep in so that, deep in so that, deep in so that!

Bom, Bom, Bom Bom !

Your love is like a prison wall, and it's getting higher
Bom, your love is like a prison wall, and it's getting
higher

Bom, your love is like a prison wall, and it's getting
higher

I did so far and they don't know, can't get through the
wire

Bom, your love is like a prison wall, and it's getting
higher

I did so far and they don't know, can't get through the
wire

Bom, your love is like a prison wall, and it's getting
higher

I did so far and they don't know, can't get through the
wire"
YEAH!
