And I think once about you, like I should, and I feel so lucky too. like you, I don't feel at Ease so easily. it's so easy to walk on, ...and Put up the collar of my jacket. the more i Show, the more I go. we're both anxious to Say hello. just put every story between Brackets. so I turn my back and scrunch up Into an awkward position too, somewhat Unnatural too. well I really wish we felt closer To each other too. I thank you for having me Around but wouldn't it be better if we just Wrote, and make up some kind of anecdote To make up for each one I forgot.
