

Solid State Logic "Denial"

Visit "[Denial](#)" on MotoLyrics.com

I blame myself,
When I look the other way.
This is just another day,
In denial.
I can't explain,
But shall I feel it's not ok?
It's not supposed to be this way,
For a while.

In a dream,
Scream until nothing is left of me.
In a dream,
I wont let you get the best of me.

I found my way,
When I stepped away from me.
Sitting through all the defeat,
Self inflicted.
I can not stay,
In a place where I can't see,
Something right infront of me.
Self afflicted.

In a dream,
Scream until nothing is left of me.
In a dream,
I wont let you get the best of me.

Don't give up,
Don't ever make them see the world through your eyes.
Don't give up,
Don't ever make them see the world through your eyes.

In a dream,
Scream until nothing is left of me.
In a dream,
I wont let you get the best of me.

In a dream,
I wont let you get the best of me.

In a dream,

Scream until nothing is left of me.
