I didn't really know
I didn't really know this wasn't meant to be
I never let it show
I never let it show
Do what you want to me
I wouldn't want to know
I wouldn't want to know just how far we would go
And now I'm letting go
And now I'm letting go

I was wrong
Your not the one
Your not the one
Life goes on
Your not the one
Your not the one
I was wrong
Your not the one
Your not the one
Life goes on
Your not the one
Your not the one

Until we go again
Oh, we go again
Acting so selfishly
Always better when
Always better when we pretend to agree
I guess I got it wrong
I guess I got it wrong why can't I just be strong
We knew it all along
We knew it all along

I was wrong
Your not the one
Your not the one
Life goes on
Your not the one
Your not the one
I was wrong
Your not the one
Your not the one

Life goes on
Your not the one
Your not the one

Your broken
Your broken down
I can not say I care anymore
I'm broken
I'm broken down
I guess it's time we said goodbye
I said goodbye

I was wrong
Your not the one
Your not the one
Life goes on
Your not the one
Your not the one
I was wrong
Your not the one
Your not the one
Life goes on
Your not the one
Your not the one

(I was wrong)
Your not the one
(Life goes on)
Your not the one
(I was wrong)
Your not the one
