All alone, for awhile
We been through this
A Thousand times
Keeping check
On destinies
Without reallity's memories

As time goes on
And we both bled
Let's put to rest
All the things We've said
We've paid our dues
And come this far
There's nothing left
To tear us apart

If I die tonight
I could never ask
For anything more

Lying still alone in bed
Taking time to clear my care
Guessing on to be free
This time will pass eventually

If I die tonight
I could never ask
For anything more

If I die tonight
I could never ask
For anything more

If I die tonight
I could never ask
For anything more

If I die tonight
I could never ask
For anything more

(Solo)

If I die tonight
I could never ask
For anything more

If I die tonight
I could never ask
For anything more

If I die tonight
If I die tonight
If I die tonight
If I die tonight
