Rebel though you are, you're just as controlled  
when you do what they tell you not to, as when you do  
as you're told.  
You cannot simply be the shadow for the shadow's cast  
by the form.  
You cannot simply be a backward reflection  
'cause it still looks a lot like the caster

Who owns you, Girl  
Who owns you?  
Who owns you, Girl  
Who owns you?

If you simply are as they don't want you to be  
You're just playing your part in this fucked up society

That owns you  
Who owns you  
Who owns you?  
Who owns you?

Rebel though I am, I'm just as controlled  
When I do what they tell me not to as when I do as I'm  
told  
I should not simply be the shadow, for the shadow's  
cast by the form.  
I should not simply be a backwards reflection  
'cause it still looks a lot like the caster

Who owns me  
Who owns me?  
Who owns me  
Who owns me?

If I simply be as they don't want me to be  
I'm just playing my part in this fucked up society

That owns me  
Who owns me  
Who owns me  
Who owns me
