I can hear the sound of lost world  
That who have entered my place  
How could I be so blind  
To let you walk the line

[Bridge:]  
We're going at the wrong direction  
We can  
And it will be alright

[Chorus:]  
What can I say  
What can I do  
With my mind  
The things you say  
Were only for you

Since I am here  
You wish you've never had been here  
Don't let it be a replay  
Of your lonely cries

[Bridge]

[Chorus]

[Solos]

We try  
We will find out why  
Hear me!

[Bridge:]  
I hope we can find!

[Chorus]

With my memories!

[Outro]
