The questions run so deep  
When it's two in the morning  
I should be lost in sleep  
But in my mind I am sorting  
All the things that I can't explain  
Why so many suffer in pain?  
Where's the answer?

I hide behind a smile  
But in my heart I am bleeding  
I can sometimes read the crowd  
And relate to their feelings  
Never knowing what tomorrow brings  
And trying so hard to just believe in something

CHORUS:

Falling around me is a world so incomplete  
It makes no sense to me  
How can I compete?  
Except to know the mercy  
and the comfort that You bring  
Oh, in spite of me  
Its a mystery  
And when I cannot see  
You keep my feet from falling  
You hold me in Your peace  
Here in the grand scheme

We can only know in part  
When we're this side of heaven  
So I'm trusting in my heart  
For one final amen  
A day when all the wrong will be made right  
And that's all I really need to rest inside, tonight

CHORUS

When I cannot see  
You keep my feet from falling  
You hold me in Your peace  
Here in the grand scheme
