Girl's Night

Produced By The Paharmacy

Here we go got a plan tonight, got my girls gonna do a
little something
To the club rollin' in my ride, volumes up cause we're
gonna get jumpin'
No time for the guys tonight, bully boys and the played
out hustlers
It's just for the girls that's right, come on now let me
hear my sisters.
Need no others trying to get with us, tonight my ladies
are my only stimulus

(Chorus)

Don't get so close, back up a little wanna dance on my
own.
It's girls night. It's girls night!
No boys allowed, so back up off me. I'll be leaving on
my own.
It's girls night. It's girls night!

I can see you from across the floor, got your drink and
you're movin my way
Had a sip and you're so damn sure. Not so fast boy
you're gonna get no play
Ain't nobody taking us home, nobody gonna be alone
I got all the girls in the whole damn world let me hear
y'all say hey hey hey
Need no others trying to get with us, tonight my ladies
are my only stimulus

(Chorus)

Don't get so close, back up a little wanna dance on my
own.
It's girls night. It's girls night!
No boys allowed, so back up off me. I'll be leaving on
my own.
It's girls night. It's girls night!
Won't you move with me groove with me baby. It's time

to let it go
Won't you move with me grove with me lady. It's time to
let yourself go
Won't you move with me grove with me lady. It's time to
let yourself go
Won't you move with me grove with me laby. It's time to
let it go
It's just a girls night girls night all night all night long

(Chorus)

Don't get so close, back up a little wanna dance on my
own.
It's girls night. It's girls night!
No boys allowed, so back up off me. I'll be leaving on
my own.
It's girls night. It's girls night!
G.I.R.L.S. go girl now do your best. No boys can get with
me all N.I.G.H.T.
