HOOK

If I had to get on the bus.
Would you still love me?
If I need a ride boy. Would you pick me up?
I wanna know.
Would you still love me?
If I didn't live in a million dollar crib?
I wanna know.
Would you still love me?
Imma bossy babe. Tight frame pretty face but.
If I lost it all today.
Would you still love me?

VERSE 1 Somaya

6ft tan complexion. And he aint afraid to use his hands
when sexin.
But please believe when it comes to respecting.
He got it on lock and his love is a weapon.
Would you still be down if I lost my status.
Lost my steelo.
Lost my cabbage.
Dropped and took a loss from a boss to an average.
Would your mind still think of me crossed with
marriage?
Would you still love me if I couldn't upgrade ya?
And everything I did wasn't major.
Lost my frame.
Got a little crazier.
Would you mind still being my savior.

Yeah.
I see how he treat ya.
You deserve more.
Black Maybach, curtains on the door.
You deserve marble floors and the silk sheets.
In other words lil mama you deserve me.
Them other dudes fronton, word to Pharell.
You need to chance clothes.
Gysepe or Chanel.
Altadena baby.
Imma hold you down.
And if them haters poplin off.
We can throw some rounds.
Dame un beso.
Shorty ven aquÃ.
When it's all over I know They'll remember me.
California king imma never let you go.
Sincerely yours XOXO

So much honor. Power like Obama.
Treat me with the same respect that he treat his mama.
An anytime we in the bed it's hotter than a sauna.
And we be together from dusk till the dawns up.
But. Tho my lovins free.
Would you still be down to ride if I wasn't me?
If my name wasn't Somaya followed by the Recce.
If my heart broke please pick up every piece.
Would me and you still be us hun?
Would being my man still be so much fun?
Do you pride?

Are you satisfied with just one?
Can I trust you?
Would you run?
