Oh, when I'm pulling down the gear  
I put a vision in my head  
And I don't know what you're thinking  
I gotta a one way ticket just walk out the door  
I ain't got no choice to spare  
I gotta feel a real deal  
When I'm shaking with my thing  
Gotta love me gonna make you so high  
I gotta a whole new baby  
So I'll take you for a ride  
Giving something for me to survive  
CHORUS  
Ah?  
Go and take a shower  
Gonna live about an hour  
Ah?  
Jamming all the way  
REPEAT VERSE AND CHORUS
