Summertime in Rhode Island
Only place I wanna be, oh oh

The girls are stunning
The girls are stunning
And you know they're not too shy
Then listen to me

Well I'm not talking 'bout LA
Or any place in between
Only place I wanna be for the summer
Is right here in the Northeast

I saw a girl today with a yellow swim suit
And a tan so fine it make you wanna lose your mind
We roll up a fatty, don't tell her daddy What were
thinking of doing
You couldn't say it in church or on TV
But that's how you gotta roll when it's

Summertime in Rhode Island
Only place I wanna be, oh oh

The girls are stunning
The girls are stunning
And you know they're not too shy
Yeah you know what I mean

Well I'm not talking bout way down South
Their Augusts are way too hot
Only place I wanna be for the summer
Is up here where the party don't stop

I saw a girl today
She was sitting on the dock in Narragansett bay
I came up behind her
She wasn't a minor
Cuz I checked her I'd
And just what did I see?
It said 1983, yeah that's good news for me

Summertime in Rhode Island

Only place I wanna be, oh oh

The girls are stunning
The girls are stunning
And you know they're not too shy
Yeah you know what I mean

Summertime in Rhode Island
Only place I wanna be, oh
Summertime in Rhode Island
It's the only place I'd rather be
(Break it down x3)

Cuz I can't wait to get her home
Skip the conversation
I can't wait to get her alone
Cuz she comes from Rhode Island

I can't wait to get her home
Skip the conversation
I can't wait to take off her clothes
Cuz she comes from Rhode Island
