Don't lie, it wouldn't take it back tonight
Now all you're getting is a one way ticket
Don't play dumb, girl
I know you got what you wanted to
So low you stood where you thought I would
Sink alone and drown
But I'm not going down

So long, I'm gonna kick you when you're down
I wanna be the one that doesn't offer my hand when
you drown
Take your chances on anybody else
Selling your soul to save yourself
You can never count on me

I'm waking up to a brand new day
I'm waking up to a brand new slap in the face
And all the things you said to me, now I know they
mean nothing at all
I know this will be the end of me
But I don't even want to see your face again

I really hope you die alone with no friends

So long, I'm gonna kick you when you're down
I wanna be the one that doesn't offer my hand when
you drown
Take your chances on anybody else
Selling your soul to save yourself
You can never count on me

They say you reap what you sow
They say you reap what you sw
You say you're willing to change
That doesn't justify your ways

So long, I'm gonna kick you when you're down
I wanna be the one that doesn't offer my hand when
you drown
Take your chances on anybody else
Selling your soul to save yourself
You can never count on me
