What can I say, Iâ€™m into you  
Every single thing you do  
Making my heart beat stronger to the soundtrack  
A summer thatâ€™ll never take back

How do you do  
When you toss that glance, with all other eyes on you  
When you shake that ass, at 7:00 too soon  
Iâ€™m gonna pick you up, weâ€™re going downtown baby  
tonight  
And with a little luck, weâ€™re gonna shake it up

What can I say, Iâ€™m into you  
Every single thing you do  
Making my heart beat stronger to the soundtrack  
A summer thatâ€™ll never take back

So shut your mouth, and let it all come spilling out  
I can read it on your face  
Iâ€™m gonna make you mine, are you down baby  
tonight?  
Gonna make you feel right, weâ€™re gonna shake it up  
Last call, itâ€™s my call

What can I say, Iâ€™m into you  
Every single thing you do  
Making my heart beat stronger to the soundtrack  
A summer thatâ€™ll never take back

What can I say  
Iâ€™m gonna take you, break you  
Shouldnâ€™t waste my time with you  
What can I say  
Iâ€™m gonna take you, break you  
Shouldnâ€™t waste my time with you

I wouldnâ€™t lie to you, I wouldnâ€™t lie to you  
I shouldnâ€™t waste my time with you  
I wouldnâ€™t lie to you, I wouldnâ€™t lie to you  
Iâ€™ll disguise the truth, Iâ€™ll disguise the truth

What can I say, Iâ€™m into you

Every single thing you do  
Making my heart beat stronger to the soundtrack  
A summer that I'll never take back
