Happy songs mean a happy heart  
But the tune is sad  
Whenever lovers part

(Heart-aches)  
(Heart-aches)  
(My loving you meant only heart-)  
(Aches)  
(Your kiss was such a sacred thing)  
(To me)  
(I can't believe it's just a burning memory)

[CHORUS]  
(Heart-aches)  
(Heart-aches)  
(What does it matter how my heart breaks)  
(I should be happy)  
(With someone new)  
(But my heart aches for you)

Heart-aches  
Heart-aches  
My oh my, I think die  
From heart-aches

I've been chokin' up  
Since you decided  
You love another guy

Never thought you have to be reminded  
It's a sin  
To tell a lie

Heart-aches  
Heart-aches  
Songs like this will make ya wanna whistle

Gonna take a trip  
In a speedy rocket ship  
Destination moon  
And no more heartaches at all  
So no more tunes

[Repeat CHORUS]
