"Away From Home"

Over the mountains we'll fly
When there is enough space to be ourselves
Over the mountains we'll fly
Over the mountains we'll fly
The golden country and the rest of the world

But there's a reason
For you and for me
Why we have to wait
Please wait with me

Away from home we're strong
Away from home we're strong

Over the seven seas we'll fly
Over the seven seas we'll fly
When there is enough time to live
Come on let me bring you some new things
From all over the world

But there's a reason
For you and for me
Why we have to wait
Please wait with me

Away from home we're strong
Away from home we're strong

Away from home we're strong
Away from home we're strong
