It's time to think about yourself  
Realizing what is there  
We all have our hopes  
But we cannot live them with everybody

I'm better off without without you here  
Just listen to the song my dear  
It's all about the question  
When to leave

Lying here and lying there  
I don't think you get anywhere  
If you follow this kind of love

We all have our dreams  
Realizing what is there  
We all have our hopes  
But we cannot live them with everybody

I'm better off without without you here  
Just listen to the song my dear  
It's all about the question  
When to leave

Lying here and lying there  
I don't think you get anywhere  
If you follow this kind of love

I'm better off without without you here  
Just listen to the song my dear  
It's all about the question  
When to leave

Lying here and lying there  
I don't think you get anywhere  
If you follow this kind of love
