So you're never listening  
Not to any of  
My special words for you  
But I think you to know

So far away  
In my own future we will be  
What we should a gentleman  
And a great girl on my side

Listen to your heart  
How this gonna end?  
Do you want to stay  
Inside the prison they call life?

I know it's hard  
To be confronted with the truth  
But what do you want?  
I think you know

So far away  
In my own future we will be  
What we should a gentleman  
And a great girl on my side

Listen to your heart  
How this gonna end?  
Do you want to stay  
Inside the prison they call life?
