Some people like to wait around  
They always seem to take  
Just what the future brings  
Me, I've never been like that  
Got myself what I want  
But not everything

But what's a boy to do  
Without it  
What's a boy to do

I want you  
You want me  
Let it be  
Please be mine  
The sun won't shine  
If you won't say you're mine  
I want you

I've been waiting round so long  
Wishin', hopin', prayin' I'd catch your eye  
You give lots of special love  
But I get disappointed cause they never smile

But what's a boy to do without it  
What's a boy to do

I want you  
You want me  
Let it be  
Please be mine  
The sun won't shine  
If you won't say you're mine  
I want you

Somebody needs  
Somebody loves  
Somebody treats me right

Some people like to wait around  
Wastin' time and taking what the future brings  
Me I know just what I want

I've always had a likin' for life's finer things  
But what's a boy  
To do about it  
What's a boy to do

I want you  
You want me  
Let it be  
Please be mine  
The sun won't shine  
If you won't say you're mine  
I want you
