I've been lying here so lonely
I've been wishing you would telephone me.
Oh
I just can't lose this desperation
Won't you bring around a new sensation?
Baby
You got lots of energy
Yeah
Gonna give that energy to me
Yeah.
Tell you
We could have a real good time
Yeah
Baby
I can make you mine
AU. mine
Yeah - oh yeah
Oh yeah.
Lover come back to me
You don't have to knock on my door
No.
Lover come back to me
Kick it right down -
Kick it right down - kick it right down - right down.
Baby
All I feel is desperation
And it's not a very nice sensation.
I've been wishing you would telephone me
I've been lying here oh
Oh
So lonely.
Tell you
We could have a real good time
Yeah
Tell you
I can make you mine
All mine
Yeah.
Baby
You got lots of energy
Yeah
Baby

Give that energy to me
Yeah - oh yeah
Oh yeah.
Lover come back to me
...
Lover come back to me
...
I hear you knocking
Won't you run on in?
I hear you knocking
Come back where you've been.
I hear you knocking
Won't you run on in?
I hear you knocking
Come back where you've been.
Lover come back to me
...
Lover come back to me
...
