Yeah I, I got to know your name  
Well and I could trace your private number baby  
All I know is that to me  
You look like you're lots of fun  
Open up your lovin' arms  
I want some

Well I, I set my sights on you  
(And no one else will do)  
And I, I've got to have my way now, baby  
(And no one else will do)

And I, I've got to have my way now, baby  
All I know is that to me  
You look like you're havin' fun  
Open up your lovin' arms  
Watch out, here I come

You spin me right 'round, baby  
Right 'round like a record, baby  
Right 'round, 'round, 'round  
You spin me right 'round, baby  
Right 'round like a record, baby  
Right 'round, 'round, 'round

I, I got be your friend now, baby  
And I would like to move in  
Just a little bit closer  
(Little bit closer)

All I know is that to me  
You look like you're lots of fun  
Open up your lovin' arms  
Watch out, here I come

You spin me right 'round, baby  
Right 'round like a record, baby  
Right 'round, 'round, 'round  
You spin me right 'round, baby  
Right 'round like a record, baby  
Right 'round, 'round, 'round

I want your love  
I want your love

All I know is that to me  
You look like you're lots of fun  
Open up your lovin' arms  
Watch out, here I come

You spin me right 'round, baby  
Right 'round like a record, baby  
Right 'round, 'round, 'round  
You spin me right 'round, baby  
Right 'round like a record, baby  
Right 'round, 'round, 'round
