1 - Boy you'll never find another love
As good as this
So you better represent
Cuz my love is the Shhh
(The bomb baby, bomb baby)

2 - Girl you'll never find another love
As good as this
So you better represent
Cuz my love is the Shhh
(The bomb baby, bomb baby)

You keep tellin' me on the telephone
How you got it going on
And how you'll keep me satisfied
Oooh, yeah
But actions speak louder than words
I must see what I've heard
Is it true or do you lie

Cuz I need somebody giving nuthin'
But good loving all thru the night, oh yeah
Someone to break me off a little somethin'
When I need to be satisfied
And I got one thing in mind

Repeat 1

Repeat 2

All these things I say to you
I swear that they are true
I'm all you'll ever need (oh yeah)
Good love is so hard to find
And I won't waste your time
Satisfaction is guarenteed
I'll be the lover that you need to break you off
In the middle of the night
I'll take a little trip downtown
I'll be the freak you need in your life
And I know

Repeat 2, 1

Don't stop, get it, get it
Don't stop, get it, get it
Don't stop, get it, get it
Don't stop, get it, get it

Let me work that body, baby
Let me work that body, baby
Let me work that body, baby
Let me work that body, baby

Repeat 1,2
Repeat 1,2

Boy you'll never
You'll see
Can't nobody love you like me

Girl you'll never
Like you baby
Baby, baby, ah

Boy you'll never
Nobody loves me better
(Yes I can, oh)
Than your love

Girl you'll never find another
Oh baby, umm as good, oh as good as mine
