Is it nothing
Or less, or less, or less
We're holding on
I guess, I guess, I guess

She's taking off her clothes again
Says, "Let the whole world see."
She's cutting off her hair again
Says, "This is all of me."

After all, well isn't this
Just a momentary thing
It's not like it's permanent
Or any heavy thing

Shut me up
I guess, I guess, I guess
Stirring me up
Yes, Yes, Yes

It's at the point of breaking down
'Cause there's nothing left to say
I think you waste your sweetness
I think the whole thing blew away

After all, well isn't this
Just a momentary thing
It's not like it's permanent
Or any heavy thing

Not like I hoped
Not like I dreamed
Not like I prayed, hoped for this

Not like I hooked up, hooked up, hooked up, hooked-
It's not any heavy thing
It's not any heavy thing
It's not any heavy thing
It's not any heavy thing

'Cause we'll get along, yeah

We'll get along, yeah
After so long, after so long
After so long, after so long

So long
