i cry out for your hand of mercy to heal me i am weak  
and i need your love to feed me oh lord, my rock, my  
strength and weakness come rescue me oh god for  
you are my rock, and your promise never fails me and  
my desire is to follow you forever

for you are good  
for you are good  
for you are good to me (x2)

for you are my rock and your promis never fails me  
and my desire is to follow you forever

for you are good  
for you are good  
for you are good to me (x4)

i cry out for your hand of mercy to heal me i am weak  
and i need your love to feed me oh lord, my rock, my  
strength and weakness come rescue me oh god
