Lift my life up Lord with You
And bury all my sin
Lift my life up Lord with You
Through my weakness, I am found
You tell me Iâ€™m reborn
Lift my life up Lord with You

CHORUS:

When I search,
For You, every day
I find how whole You make me when I
Lay down all of my will,
I am found within Your love

Hear my heart that beats for You
I have no other cause
Hear my heart that beats for You
Fill my mouth with praise to You
And may your heart be mine
Hear my heart that beats for You
