

## Sommerset "In Between"

Visit "[In Between](#)" on [MotoLyrics.com](http://MotoLyrics.com)

When the day stops your engines  
I can see there's no more nights to call our own  
And you're out there picking up their laundry  
I can see there's no more nights

Never felt like this at all  
When our lives were so simple  
It's nights like this you want to miss  
But you don't get that far

Never felt like this at all  
When our lives were so simple  
It's nights like this you want to miss  
But you don't get that far

Stop pretending everything will follow somewhere in  
between  
The gap of where you are and where you want to be  
Stop pretending everything will follow somewhere in  
between  
Plot out your course and let it take you...to where you  
want to be

When the day stops your engines  
I can see there's no more nights to call our own  
And you're out there picking up their laundry  
I can see there's no more nights

Never felt like this at all  
When our lives were so simple  
It's nights like this you want to miss  
But you don't get that far

Never felt like this at all  
When our lives were so simple  
It's nights like this you want to miss  
But you don't get that far

Stop pretending everything will follow somewhere in  
between  
The gap of where you are and where you want to be  
Stop pretending everything will follow somewhere in

between  
Plot out your course and let it take you...to where you  
want to be  
Whoooo where you wanna be..... where you wanna be  
...  
Whooooaaaa where you wanna be
