I've been waiting so long
I've been waiting for anything
For any change at all since the poison in my blood set
in

All the time just flies past
I sit back and watch it go
I'm in a vacuum here and I've got to get out before the
oxygen goes

AndÂ...I get so sick of being inside
AndÂ...I get so sick of being inside

And the morphine sickens
And it strips my dignity
Such a shallow thing but it's the only freedom left for
me

They can't promise enough time
Not time to let it go
I'm in a vacuum here and I've got to get out before the
oxygen goes

AndÂ...I get so sick of being inside
AndÂ...I get so sick of being inside (so sick so sick so
sickened)
AndÂ...I get so sick of being inside (so sick so sick so
sickened)
AndÂ...I get so sick of being inside

And I know I'd get up it's not over yet no
But every moment is steeped in agony
I get so tired and so pale so sick of wilted roses

AndÂ... I get so sick of being inside

One... two... one... two... ahhhhh!!!
AndÂ...I get so sick of being inside
AndÂ...I get so sick of being inside (so sick so sick so
sickened)
AndÂ...I get so sick of being inside (so sick so sick so
sickened)

And I get so sick of being
I get so sick of being
I get so sick of being inside
