We are the useless sluts born of bourgeois boredom
baby
Chock-full of rhetoric and hardwire at 56k
We smack of youth appeal and empty advertising
dreams
The kind you need to fill the hole inside your head that
bleeds
And if it's bleedingÂ.... then leave it to run dry

We don't walk it like we talk it
But we know everything there is to know

We are the useless sluts born of bourgeois boredom
baby
Chock-full of rhetoric and hardwire at 56k
We smack of youth appeal and empty advertising
dreams
The kind you need to fill the hole inside your head that
bleeds
And if it's bleedingÂ.... then leave it to run dry

We don't walk it like we talk it
But we know everything there is to know
(incapableÂ...replaceable)

We don't walk it like we talk it
(incapableÂ...replaceable)
But we know everything there is to know

We are incapable
We are replaceable
We are removable
And we are reshapeable

YeeeeaaaahhhÂ...we don't walk it like we talk it
But we know everything there is to know
(incapableÂ...replaceable)

We don't walk it like we talk it
(incapableÂ...replaceable)
But we know everything there is to know
